Spring Edition

May 2006

39th Street Community Improvement District News Summer Plans

Everyone's Spring plans are underway. You can see it on every street and it's a credit to those who are taking pride in their home, their neighborhood and their business.

The Third Friday Artwalk is beginning to get recognition as more than a purely local event. This year the CID has begun marketing the 39th Street area, showing it's 39th Street West logo. It began with a couple of billboards. One located in the 600 block of W 39th eastbound, and one in the 1400 block of Westport Rd westbound. There will be more going up and will highlight the Artwalk and music, the Community Market and the upcoming Summer Festival.

The 39th Street CID has voted to advertise and promote the 39th Street merchants and events in "Welcome to Kansas City". It's a full page ad in the Summer issue which will be published June 9, 2006. This Summer, Erin Carey from that magazine, may contact you to discuss exclusive, collective advertising opportunities endorsed by the CID at very reasonable cost.

Also as a sponsor of the Blues and Jazz Festival the District will benefit from great advertising in all the quarterly Kansas City Music Magazines and Kansas City Music Show Programs. We will have Banner Space in all the Wire to Wire Woodlands shows and Web ads, and there will be links on all email announcements.

There's a Summer Art Festival August 20th this year. Anyone who knows an artist who wants a contract for a 10' x 12' space on 39th Street please contact Bob Klemovec. Contact information is at the bottom of the sidebar to the right. Merchants who want to participate should also make contact. 39th Street from State Line to Wyoming will be closed from 10am to 8pm on August 20, 2006. **Vive la Fiesta!**
